

# Company Profile

**CAMARC** Limited was formed in 1986 by Alastair R. Cameron and is recognised as one of the leading Small Craft Design offices in Europe.

We have a fleet of proven designs of both innovative and traditional craft ranging from 5m to over 23m

Our unique multi-chine fast mono hull form gives exceptional sea-keeping whilst retaining high speed capability. This superlative design concept is now the choice from Fast Patrol, Pilot and SAR craft to RIB's and Research Vessels and Ferries Camarc designed craft set the standard.
