

CAMARC POPSURE FENDER SYSTEM

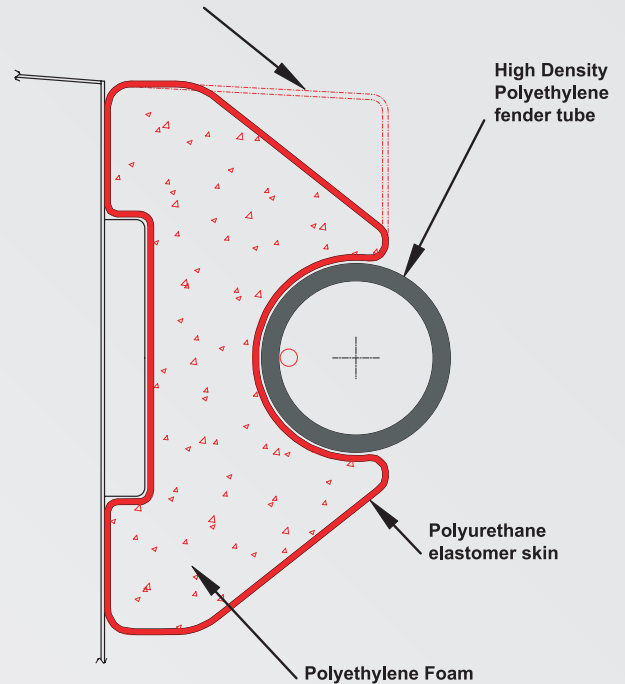

• CAMARC DESIGN •
PILOT BOATS

- Spreads impact loads over large area
- Outer tube takes abrasion
- Modular Foam/PU section sheds load into hull
- No through fastenings in hull
- Proven system chosen by many operators and with many craft in service since 1999

Alternative Fender Section (For Boarding Zone)

POPSURE FENDER SYSTEM

the Popsure system is a copyright CAMARC Design system and in larger sizes is only available on CAMARC Pilot Boats. Manufactured under our licence by Trelleborg CRP in the UK.

PILOT BOATS NEED EXTRA PROTECTION
